Marketing Plan

Jean Scott Homes at Keller Williams Realty is committed to comprehensive and strategic marketing of our client's properties. Most realtors have a 3-step program. They put a sign in the yard, put it on MLS and pray that someone else sells it. Our approach is different. We spent over seventy-five thousand dollars last year to market our client's homes. Call today to learn more about how our Marketing Plan will get you top dollar with a minimum amount of time on the market!

“Within a few days, they arrived with a photographer/videographer to tour our home and provide the best marketing platform for our sale. Before we knew it, our home video went live as well as the marketing campaign.”

Walter and Dee – Casselberry, FL

EASY EXIT

If You Are Not Happy, Fire Us!

WARNING! Listing with the wrong agent can cost you not only precious time, but thousands of dollars! There is nothing worse than getting trapped in a lengthy listing contract with the wrong agent.

Fortunately, you have a choice. We offer a hassle-free listing contract with an “Easy Exit,” no questions asked cancellation guarantee. Either you are completely happy with the service and results you receive, or the listing contract is cancelled. Not just withdrawn, as offered by many Realtors, but completely terminated. End of story. Easy and simple.

The fact is, almost all of our clients have been delighted with our performance and results.

However, you have the option, just in case!

“I could not ask for a better experience. I have been around the real estate industry for many years, and they truly are one of the best I have ever worked with.”

Robert and Kim – Oviedo, FL

WHAT ARE PEOPLE SAYING ABOUT US?

Jean Scott Homes is a first rate, top notch realtor service. We had a last minute move and need to sell our house within 3 weeks. The day we called, they showed up to complete the paperwork and do a walk through of our home to price our home competitively. They even returned to do another walk through to advise us on staging every room at minimal cost. Before we knew it, our home video went live as well as the marketing campaign. Within 24 hours, we had a great offer on the house that was well above our expectations. They walked us through the process and we sold the next day. When the appraisal came back lower than the offer, their negotiating skills won the buyers over and the offer was minimally impacted and stayed above appraisal. When we moved to our new location, they set us up with another top notch realtor to take care of our house hunt. The whole process was seamless and we still keep in contact with the team because we will definitely use them again in the future. I definitely recommend Jean Scott Homes for your next home buy or sell. You will be completely impressed.

- Sean and Sandra, SOLD with Jean Scott Homes

Jean Scott Homes is the best! They had my home under contract within 24hrs of going on the market. We had an unusual setback with our first buyer 3 weeks before Christmas (less than 48hrs prior to scheduled closing) & once again they had my home under contract 24hrs after being placed back on the market at \$2000 over the asking price! During the entire process they were attentive, professional & provided valuable guidance. I would definitely recommend them to all my friends & family!

- Stephen and Jennifer, SOLD with Jean Scott Homes

Exceptional service and response to inquiries. Polite and professional at all times. Excellent at marketing your home for sale. Would not use anyone else.

- John, SOLD with Jean Scott Homes
